

Essential Condition Monitoring Training

ECSA Validation no: SAAMA2017136 for 2 credits

An introduction to condition monitoring highlighting the essential elements for successful condition based maintenance

9 – 10 July, 2019

The scope

With the ever growing need to save on capital expenditure, a clear and concise maintenance strategy on all assets is a necessity. This unique training course outlines the theory and tools needed to incorporate condition monitoring into your maintenance plan.

Course objectives

- Condition based maintenance strategy
- The risk & budget decisions
- The origins and objectives of Reliability Engineering
- The principles of Reliability Engineering

Who should attend?

- Asset managers / owners
- Facility managers
- Plant owners
- Reliability engineers
- Mechanical and electrical plant maintenance managers
- Tradespersons in electrical and mechanical

Course prerequisites

An understanding in the basics of Reliability Engineering

The facilitator

Tom H Dalton |
Transformer Reliability
Specialist at Martec

- Practical condition monitoring
- The strategic path
- Case studies

He holds a National Higher Diploma in Electrical Engineering and gained experience at Eskom specialising in oil analysis and management. He has worked on several working groups and committees concerned with transformers and insulating oils, written a number of specifications, and has co-authored two books on the subject. Tom has also developed an insulating oil management application to assess transformer condition.

Terms and conditions of registration

A confirmation letter and tax invoice will be sent to the delegate on receipt of this application. Confirmation of the delegate's registration including a map to the venue and a list of accommodation options in the area will be sent on receipt of confirmation of payment.

All applicants must complete this registration form in full and indicate your menu option. Halal menus are charged in addition to the above rate. Incomplete application forms cannot be processed.

Full payment must be received prior to attending the course

On arrival delegates must present the confirmation of registration that will have been emailed to them.

The course presenters reserve the right to refuse admission where this confirmation and evidence of payment cannot be shown.

Cancellation and Non-attendance Policy

All notices of cancellation must be in writing. Cancellations received more than 10 working days prior to commencement of the course will be accepted subject to a 10% cancellation fee. Alternatively a substitute delegate will be accepted. Late cancellations (10 or less working days prior to commencement of the course) and non-attendance are liable for the full invoice amount.

Obligation to Pay

Even though the Company is liable for paying the course fee, the delegate retains ultimate responsibility for ensuring that the fee is paid.

Confirmation of Registration

If you have not received your confirmation of booking before the course, please contact us to make sure that you are registered.

Martec reserves the right to cancel any advertised course due to insufficient enrolments or conditions beyond our control.

I hereby confirm that I am authorised to sign for and on behalf of the Applicant Company and accept the above Terms and Conditions.
